

## Executive Summary

We didn't have a team this week, but were busy with numerous projects and needs that came up. Picked up 4 Runner bought from Cody & Maria – it's already been huge blessing. House rental from Cody & Maria in process for Dave & Darlys. Spent some time with Dr. Jay Park as he visited from FTL, sourced some new ministry opportunities, and worked 2 days with Haitians building benches. Completed and distributed power point documenting CCHI current activities. Calvary Corona team is arriving Saturday the 1<sup>st</sup>.

## Around Town

- Gas finally became available on Tuesday. We were able to stockpile about 30 gallons in a drum purchased last week in PAP. We brought a hand pump back with us from FTL so should be prepared for next shortage.
- Internet access in southern Haiti was finally restored last night after being down for over a week. We have been using satellite at Cap Lamandou Hotel to get email out. Made arrangements to get Cody's satellite moved to new house
- Still waiting for Dominican Navy transport of 3 truckloads of food and medical that Go Ministries has been trying to get here from the DR – ETA next week Haitian time.
- May 1<sup>st</sup> is Holiday here celebrating Jacmel's birthday – huge art & dance festival
